# Kindness is.....

- Be the Reason someone Believes there Are still good People out there.
- Never look down at somebody unless you're helping them up.
- Be kind to yourself, and let your kindness overflow to others.
- kindness is the language of the heart.
- a smile is the prettiest thing you can wear.
- People will never forget how you make them feel.
- may you always bloom

Kindness means that all people should be kind to other People and. •Kind ness is "giveinspeople their stuff back showing that you have kindness in you" • Kindness looks like talkin to people that feel Down and that are sad.

I'll give People a smile when they are sad and talk to them If their Not having a good day. and a kindness act I've Done was giving a person their stuff back when they Lost something

Kindness looks like helping others to learn or taking care of others.

# Kindness is...

- not teasing or bullying People.
- kindness is not making Fun of People.
- kindness is not doubting Someone.
- kindness is not blaming Some one.
- kindness is not spreading rumors.
- kindness is not calling Some one names.
